The Dana to Downtown Project emerged from a 1997 study performed by Caltrans and sponsored by the Shasta County Regional Transportation Planning Agency and has consistently been rated by the RTPA as the highest priority transportation project in the Redding area and Shasta County. Fifty-four percent of the project is funded from State transportation revenues approved by the RTPA while the remaining 46 percent comes from State transportation revenues approved by Caltrans. The RTPA governing board consists of the three members of the Shasta County Board of Supervisors and four City Council members representing Redding, Anderson and the City of Shasta Lake.
